Live Differently We Are Reshaping Kenya's Urban Lifestyle

Welcome to Danada Developers, where we aim to empower individuals and groups to own land and homes within flourishing contemporary urban communes. We achieve this by designing timeless master-planned spaces that inspire and enhance urbane life.

Whether you are a young family seeking a safe haven to raise your children, a professional seeking a dynamic urban environment, or a retiree yearning for a tranquil retreat, we're here to help you find your perfect fit. We have a portfolio of residential land plots in gated communities, catering to a variety of lifestyles and investment needs.

Introducing LENKAI ESTATE

Nestled in a serene setting, Lenkai Estate is our flagship development project situated off Juja Farm Road, Juja, approximately 6 km from the Juja overpass on Thika highway featuring seventy-two 50 by 100 plots for sale.

And as a potential homeowner, you will have the opportunity to acquire and build your residence according to your preferences and timeline, with Danada Developers providing essential community infrastructure to enhance your overall quality of life.

Gated Community, Reimagined

Here, we're redefining gated communities to enrich urban living. We're dedicated to creating captivating spaces where families can bond, children can thrive, and neighbours can forge lasting connections.

As a potential industry disruptor, we're moving beyond traditional master-planned communities with rigid development rules. Instead, we embrace a flexible approach where community owners co-create the future of their estate alongside Danada Developers.
